Standard Features, Benefits & Options

CONSTRUCTION: Stainless steel construction for strength, durability and easy cleaning. 3, 13" x 18" chrome plated wire racks are included with capacity for 4 racks with 1 1/4" clearance between rack positions. 1" footers raise oven off countertops to allow insulating air underneath to reduce heat transfer. 1.5 Cu. Ft. oven capacity.

CONTROLS: Heat settings from 150-550°F. Fast preheat times. Durable fan circulates hot air evenly throughout the cooking chamber for consistent & even cooking results, ideal for small batches of baked goods, pizzas, hors d'oeuvres and other snack foods. NEMA 5-15P plug, 6' power cord.

DOOR: Double pane window for food product viewing. Vented door framing facilitates the cool to the touch door handle and control panel. High heat-resistant door gasket seals door frame for heat retention.

TESTING: cETLus Design certified. & ETL Sanitation listed complies to ANSI-NSF4 standards.
