

12" meat slicer

models : **GS1602**

FEATURES

- 9/16 HP air-cooled motor
- Adjustable slice thickness from 0 to $\frac{9}{16}$ "
- Built-in blade sharpener
- Removable carriage for easy cleaning
- Slices cold meats and cheeses
- 11.8" diameter stainless steel blade
- 6' power cord and plug

Higher-volume delis and restaurants will appreciate the versatility and durability of this unit that can slice all kinds of cold meats and cheeses in thicknesses up to just beyond a half inch. It features a robust design with rubber feet and a low center of gravity for exceptional stability in use, while its stainless-steel construction and built-in blade sharpener promise lasting performance.
