

10.5qt soup kettle, black

models : **GS1650**

FEATURES

- Keeps soups and sauces at the perfect temperature with fully adjustable controls
- Black powder coated exterior, aluminum interior
- Removable stainless steel soup pot
- Attached, stainless steel, hinged lid
- Overheat protection
- Blank label area to customize soup flavor

Versatility and visual appeal are the main ingredients in this attractive soup kettle with front-of-the-house style. Fully adjustable controls and a blank label holder on the face accommodate a broad range of soups, while a black powder-coat exterior maintains a high-end look. The removable stainless-steel soup pot and aluminum interior make cleanup easy.
