- One tub sink with left drain board
- Polished finish stainless steel
- Stainless steel legs with cross bracing
- Extra welded under tubs for longevity
- Strainer opening diameter 3-5/8"

Suggested Accessory:

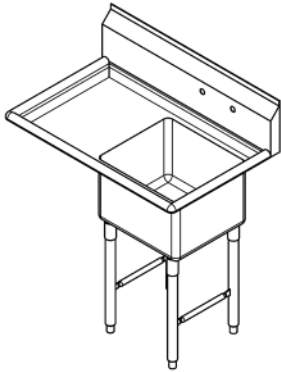

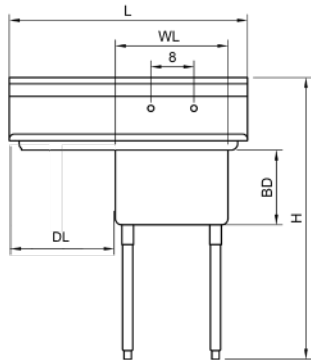

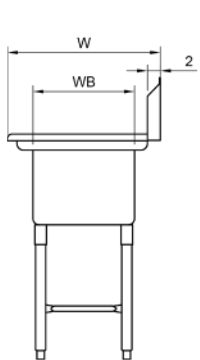

Description

One Tub Sink With Left Drain Board

This sink is corrosion-resistant, more durable and built to last. Plus, it's easy to maintain and can be wiped clean at the end of the day. With the added drainboard you can increase your drying space and declutter your drying racks and countertops. With the added work space, you can organize your kitchen and create an efficient work flow. Your staff will appreciate the extra room and health inspectors will applaud your attention to standard codes and regulations.
