

Prepline HBS220 9" Blade Commercial Electric Meat Slicer

FEATURES

- Polished and anodized aluminum construction
- 9" stainless steel blade
- Belt driven
- Built-in sharpener
- Perspex proctector guard
- Waterproof and emergency shut-off switch
- Robust handle
- Adjustable slice thickness

This Prepline meat slicer offers the perfect blend between cost and reliability. It is an excellent choice for small restaurants, coffee shops, and pizzerias. Bring efficiency to your low-volume applications and reliably slice up deli meat, sandwich vegetables, and appetizers. What’s more, the Prepline table top meat slicer is designed to work quickly and is super-easy to clean as well. It makes a valuable addition to your catering business or foodservice operation.
